## Holiday Program on December 4<sup>th</sup> ~ George and Oatmeal Save Santa.

Santa Claus is missing, and it's up to George the wizard and Oatmeal the snowman to find him and show him how to use the North Star to find his way back to the North Pole. This holiday planetarium show is designed especially for young children and families.

*Admission for this 25 minute show is only \$1 per seat. Programs at 5:30, 6:00, & 6:30pm.*

THE UNIVERSE  
YOURS TO DISCOVER

INTERNATIONAL YEAR OF  
ASTRONOMY  
2009

## A Day of Astronomy

Saturday, October 3, 2009

Join the Naperville Astronomical Association & the Waubonsie Valley High School Planetarium in an all day celebration of the International Year of Astronomy 2009. This year marks the 400<sup>th</sup> Anniversary of Galileo's astronomical use of the telescope. Hundreds of nations around the world are celebrating astronomy this year under the theme 'The Universe – Yours to Discover'. 'A Day of Astronomy' will be your opportunity to rediscover your place in the Universe.

The **FREE**, public event on **Saturday October 3<sup>rd</sup>** will be held at Waubonise Valley High School from **12:00 noon to 11:00 pm**. Throughout the day there will be activities for all ages including solar and night telescope observing (weather permitting), exhibits, lectures, planetarium programs, how to choose a telescope workshop, door prizes, and more!
